# Capability Statement

GovForce Solutions helps technology companies break into and win government work — federal, state, local, and political — and delivers the hands-on systems integration to back it up. Practitioner-led, with 24 years across public-sector technology, acquisition strategy, and delivery.

## WHAT WE DO

### Advisory & Go-to-Market

Federal Market Entry · Federal Contracting & Acquisition · Capture & Proposal Strategy · Business Development & Strategic Advisory

### Systems Integration & Delivery

Salesforce Implementation · Cloud Modernization · Open-Source Solutions · Custom Development · AI Governance

## WHY GOVFORCE

- Practitioner-led — senior advisory, no handoff to junior staff
- Both sides of the table — inside agencies and inside industry
- Strategy and delivery under one roof — win the work, then build it
- WOSB set-aside eligible across 12 NAICS codes

## REPRESENTATIVE RESULTS

<b>\$2B+</b>	DOI Cloud IDIQ capture — IBM
<b>\$45M</b>	USAID cloud contract — AWS
<b>\$24.7M</b>	USDA practice built from zero in Year 1

## AGENCY EXPERIENCE

Executive Office of the President · NASA · USDA · IRS · Interior · USAID · Energy · EPA · Transportation · Commerce · GSA · VA · HHS · Treasury · OMB · OPM
